## ONE OF THE REGION'S MOST RESPECTED BUSINESS CATERING COMPANIES

The finest food supplied with an  
impeccable service!

### About Our Food

We use the freshest locally sourced seasonal ingredients to create dishes and menus to match the event and occasion.

We produce everything in house including our sandwich fillings, savouries and cakes, which include our famous chocolate brownies, carrot cake, and our very popular whiskey fruit cake.

As we produce all of our food in house we adapt our dishes and menus to suit most dietary requirements

### About Our Service

We can deliver anywhere in Hampshire subject to a minimum order value.

We can 'set and leave' the buffets at your venue for self service or we can provide staff to serve and clear away.

All finger buffets are delivered on platters ready for service, these are returnable and we will ask for a small deposit for return of any loaned equipment or platters.

All menus come with complimentary paper plates and napkins.

All prices include VAT at the standard rate.
